

ABSTRACT

Formation of Harbour Engineering Department and declaration of Chief Engineer as Head of Department - Orders Issued,

TRANSPORT, FISHERIES AND PORTS (E) DEPARTMENT

G.O. (P) No.31/82/TF&PD.

DATED, TRIVANDRUM, 14.4.1982.

READ:- G.O. (MS) No.37/79/DD dated 5.3.1979.

O R D E R

In the Government order read above, the Chief Engineer, Harbour Engineering Wing was made independent of the Director of Ports and placed directly under the administrative control of the Secretary to Government. It was also ordered in that Government Order that the intention of Government was not to organise the Harbour Engineering Wing into a separate fullfledged department immediately but to continue as a part of the Port Department for the time being.

2. Major works relating to 'Fisheries' like construction of Fishing Harbours, Fish landing centres, Ice Plants, etc. are now being attended to by the Harbour Engineering Wing of the Ports Department in addition to other works like construction of Cargo Harbours. Government now consider that for the efficient and effective functioning of the Harbour Engineering Wing the Chief Engineer should be made the Head of an independent department viz. Harbour Engineering Department. Accordingly in modification of the orders in the G.O. read above Government order that the Chief Engineer, Harbour Engineering Wing, Ports Department will function hereafter as the head of the Harbour Engineering Department. The Harbour Engineering Department will be under the administrative control of the Transport, Fisheries and Ports Department of Government.

3. The concerned Departments will also take necessary action wherever necessary for the amendments in the code rules.

(By Order of the Governor)

D. BABU PAUL,
Special Secretary to Government.
